

Pupoon

At last, an all-in-one dog poop solution that makes cleaning up after your dog easy.

The Pupoon is a clever storage capsule with bag dispenser that attaches to most dog leads - just like a cocoon.

lightweight

airtight

self-contained

streamlined

It takes the eww out of dog poop disposal!

Supported by

The Pupoon is lightweight, streamlined, airtight and self-contained - no more stinky poop bags to carry by hand.

Help keep the environment clean with a Pupoon - the essential new dog walking accessory.
